## Citrus Kleen

**DESCRIPTIONS:** **Citrus Kleen** is a natural citrus based extracts and powerful industrial degreaser blended to out perform the conventional hazardous solvent and harsh caustic degreasers.

**APPLICATIONS:** **Citrus Kleen** has the power and versatility to dissolve away tough, industrial grease, ink, grime and oils. It is highly recommended to use in industrial plants, automotive workshops, commercial buildings, schools, warehouses, hospitals, etc, to clean any surface where water can be used.

### **ADVANTAGES:**

- **COMPLETELY SAFE**  
**Citrus Kleen** is biodegradable, non-hazardous, non toxic and non-carcinogenic.
- **NON-FLAMMABLE**  
It is safe for storage and use unlike other products that contain solvents which can pose fire hazard.
- **ENVIRONMENTALLY FRIENDLY**  
**Citrus Kleen** natural citrus and propoxy solvents are environmentally friendly as are all the emulsifiers and surfactants it contains.
- **POWERFUL CLEANER**  
It penetrates and lifts off the grime and then rinses free to leave a truly clean surface with no oily films.
- **ELIMINATE ODOUR**  
Beside strong degreasing power, **Citrus Kleen** is able to cut through tough grease with a pleasant deodorizing action unlike most other strong degreasers which have strong solvent odors.
- **ECONOMICAL**  
It can be diluted with water for cost saving.

### **Directions to use:**

1. Dilute 1 part of **Citrus Kleen** with 50 parts of water for light soil.
2. Dilute 1 part to 10 parts of water for heavy duty degreasing on oils and grease. Spray over greasy area and allow several minutes for penetration. Agitate with stiff brush and flush with clean water.
3. **Citrus Kleen** can be applied by spray, mop or dip.

### **Physical Characteristics:**

Type: Water based degreaser.  
Odour: Light citrus.  
Active Ingredient: Biodegradable surfactants, citrus terpenes, corrosion inhibitors and penetrants
