Dyno Plus

Descriptions:

Dyno Plus is a concentrated Laundry Detergent designed to penetrate and remove stain, dirt and oil on laundries effectively. It is a blend of selected builders, surfactants, suspending agent and optical brighteners that enable superior soil removal.

Features

- * **Dyno Plus** dissolves instantly and begins working immediately. No undissolved abrasive lumps remain to damage garments and machines.
- * Excellent cleaner for cotton and synthetic fibres, whites and colours
- * Does not contain harsh chemicals and is safe to use on permanent press, drip-dry and other treated fabrics.
- * **Dyno Plus** is formulated as a low-foaming product and can be used in either front or top-loading machines.
- * The controlled suds level minimises rinsing time and water use.
- * **Dyno Plus** leaves the machine bowl clean and free from scum.

Directions for Use

- ◇ For tough spots and stains, rub a small amount of **Dyno Plus** directly onto fabric.
- ◇ Before washing, test fabric for colour fastness.
 - I) Handwash : 30gm to every 5 litres of water.
 - II) Machine Wash : 50gm per every 5kg of washload.

Physical Characteristics

- Appearance - A cloudy-blue viscous liquid.
- Odour - Fresh Country-Floral
- Specific Gravity - Approximately 1.0950 + - 0.0050
