Eco Hand Sanitizer

Description

Eco Hand Sanitizer provides a quick and convenient way to **kill 99.99%** of bacteria on your hands when soap and water are not available. Its **alcohol-free** formulation is non-drying and non-irritating even to sensitive skin, making it safe and suitable for daily use.

Features:

- Bactericidal - kills 99.99% of germs, bacteria and viruses
- High and Persistent Residual Activity - long lasting Antimicrobial protection after each application
- Non toxic – safe to use and gentle to skin
- Fast acting - work immediately and prevent cross-infection
- Easy to use - no rinsing or water is needed

Applications

Ideal for hospitals, offices, food outlets, restaurants, schools, child care centres, banking halls, gyms, restrooms and retail shop outlets etc....placed near doorway of entrances and exit areas, on reception and cashier counter tops, where sanitation is needed to prevent cross-infection.

Features and Benefits

- * Highly effective – inactivates 99.99% bacteria, fungi and viruses.
- * Mild – safe and gentle, can be applied throughout many times a day, day after day.
- * Economical – just a spray will destroy micro-organisms on hands, leaves an active anti-microbial film.
- * Easy – No towel or water are needed, air-dry for instant hand sanitizing.

Effective against :

Gram-positive bacteria (Staphylococcus aureus) and Gram-negative bacteria (Pseudomonas)

Physical Characteristics

- ◆ Appearance - Clear solution
- ◆ Odour - Baby powder fragrance
- ◆ pH - 5 – 7

Active Ingredients:

Benzalkonium chloride and mixture of non-hazardous materials.
