Orange Tuff

DESCRIPTIONS: **Orange Tuff** is a citrus-based hand cleaner with protein-bolstered polyscrubbing beads that cleans hands quickly and naturally. **Orange Tuff** gently removes the toughest dirt, grease, grime, soils, resins, printer's ink, paint, glue, rubber cement, gasket and tile cements. **Orange Tuff** contains natural biodegradable soaps and emulsifiers with no harsh or environmentally damaging solvents.

APPLICATIONS: **Orange Tuff** is highly recommended for used by automotive repair shops, heavy equipment operators, maintenance engineers, manufacturing plant industry, office workers, food service employees, heating and air-conditioning contractors, printing shops, industrial shops, etc.

ADVANTAGES:

- **CONTAINS MICRO PUMICE GRITS**

Orange Tuff contains a blend of refined emulsifiers and micro pumice grits that breaks up the heaviest grease and grime and yet gentle to sensitive skin.

- **NOURISHING WITH SPECIAL LANOLIN**

Orange Tuff contains a special blend of lanolin for added protection and nourishment to skin. It contains no harsh irritants to irritate or dry skin.

- **FRESH CITRUS FRAGRANCE**

Orange Tuff has a fresh citrus fragrance for a pleasant cleaning experience.

- **BIODEGRADABLE**

Orange Tuff is 100% safe to environment.

- **EFFECTIVE WITH OR WITHOUT WATER**

If rinsing is not practical, the emulsified soil may be wiped off with a towel to be rinsed later.

Instructions:

Apply about 15ml of **Orange Tuff** into the palm of the hand, rub hands vigorously to liquefy and lift embedded soil, rinse thoroughly and dry hands. If rinsing is not practical, the emulsified soil may be wiped off and rinsed later.

Properties:
