# Apple Fresh

**DESCRIPTIONS:** **Apple Fresh** is a concentrated water soluble odor counteractant and reodorant that eliminates offensive odors while leaving fresh pleasant scent when applied to any odor problem. It is also an excellent germicide cleaner that kills most germs and bacteria.

**APPLICATIONS:** It is widely used in areas such as air-con unit, kitchen, locker room, furniture, mattresses, garbage, carpet, upholstery, toilet, floor and laundry etc.

## **ADVANTAGES:**

- **REODORIZES AND DEODORIZES**  
**Apple Fresh** deodorizes by replacing the molecules that cause malodors and deodorizes by actually reacting with the odor causing molecules. While **Apple Fresh's** deodorizing agents are working, its deodorizing agents replace foul odors with a pleasant fresh smell.
- **WATER SOLUBLE, WILL NOT STAIN**  
A light mist of **Apple Fresh** can be sprayed directly on drapes and upholstery without damage.
- **VERSATILE**  
**Apple Fresh** can be added to upholstery and rug shampoo solutions to eliminate urine and other odors. A few ounces added to mop water will give mopped areas a fresh smell. A little in the laundry freshens the whole wash.
- **ECONOMICAL**  
Quart packaging eliminates the need for expensive aerosols.
- **DESTROYS MOST ODORS**  
**Apple Fresh** eliminates malodors from garlic, onions, tobacco, perspiration, urine, stale air, smoke, fish, fecal matter, vomits, mildew, and many other sources.
- **SAFE TO USE**  
**Apple Fresh** is non-corrosive, biodegradable, non-toxic and thus safe to use.

## **DIRECTIONS:**

Mix 1 part of Apple Fresh to 3 parts of water for severe odor problem. Concentration can be varied according to odor problem. For general use, it can be diluted between 40 to maximum 100 parts of water.

## **PROPERTIES:**

Type : Concentrated water soluble odor countactant  
Color : Apple green  
pH Factor : Neutral  
Toxicity : Low, Do not take internally  
Composition : Specially prepared odor counteractants and stabilized solubilizers in aqueous medium
